THE REQUIREMENTS:

Pittsburgh Opera Resident Artist program is meant for artists beginning a professional career in opera and requires that singers demonstrate exceptional operatic skills and professional training potential through musical and theatrical experience. Pittsburgh Opera does not discriminate on the basis of race, religion, sex, sexual orientation or national origin.

1. Include these items in your completed application packet:
 - Form of identification (clean, legible copy on 8 1/2 x 11 paper): passport, driver's license, or birth certificate.
 - Two recent letters of recommendation from recognized authorities in the opera field (voice teacher, coach, conductor, director, etc). These letters do not need to be sealed. Please include these letters in your completed application packet.
 - **Non-refundable** application fee of \$35.00 made payable to: Pittsburgh Opera. Checks and money orders drawn on US funds are acceptable. **The application fee will not be refunded if an audition is not granted.**
 - One 8x10 black and white glossy photograph.
 - 2 self-addressed (9.5" x 4") stamped envelopes.
 - Please mail the complete application package before the postmark deadline of **October 16, 2009**. An incomplete application package will not be considered. To guarantee proof of delivery, send the application by certified mail. Any application received with a postmark date after October 16, 2009 will be returned to the sender.

2. Pittsburgh Opera staff will screen all applications. Applicants chosen to audition will be notified by mail or e-mail approximately three weeks before the requested audition date. Pittsburgh Opera will make every effort to accommodate audition date requests. New York applicants should select multiple dates ONLY if planning to be in New York City for the entire audition period. Otherwise, please be as specific as possible when requesting an audition date. Applicants unable to appear for a scheduled audition will be eliminated from consideration. Applicants who cancel an audition because of illness cannot be granted an audition after the last posted audition date.
3. The applicant should be prepared to sing, from memory, five contrasting arias demonstrating French, German, English and Italian language aptitude. One aria must be sung in Italian. The audition panel reserves the right to select the aria(s) to be performed from the list provided by the singer.
4. Pittsburgh Opera will provide an accompanist for the auditions; however, the applicant is permitted to bring an accompanist of choice.
5. Please DO NOT send videotapes, CDs, CD-ROMs, press packets or any additional information other than what is requested in item 1.
6. Transportation and housing are not provided at audition sites. New York applicants who perform successfully must be available for a callback audition on the final day of the auditions in order to be considered for acceptance into the program. Callbacks will be posted online or via a phone-in voicemail system, so it is not necessary to wait at the audition facility for a callback list.
7. Singers who perform successfully at the audition in Pittsburgh must be available for the callback audition on the same day. Please keep schedules free for the entire day. Callbacks will be posted via a phone-in voicemail system. Singers chosen for a callback audition from the Cincinnati audition will perform the callback on Wednesday, December 2, 2009. Singers chosen for a callback audition from the December 7-10, 2009 rounds will perform the callbacks on Friday, December 11, 2009. Please select your New York audition dates carefully so that you will be available to attend the callback audition if required.
8. If accepted as a resident artist with Pittsburgh Opera, the artist will be under exclusive contract from September 2010 through May 2011. If applicant is not prepared to accept the Resident Artist contract for its entire period, then the applicant should not participate in the audition.
9. Artists who do not currently live in the Pittsburgh area are expected to move to Pittsburgh or one of its immediate suburbs at his/her own expense.
10. If accepted as a Resident Artist with Pittsburgh Opera, no other engagements may be accepted nor competitions entered without prior written permission from Pittsburgh Opera administration.
